HOW TO RIDE

1. Each bus stop is marked with the DC Circulator flag above where you should wait for the bus to arrive.
2. Find out when the next bus is arriving with BusTime! DC Circulator's **BusTime** app provides real-time information for passengers to track bus locations. Visit bustime.dccirculator.com or the DC Circulator website on your phone or computer, and click on the **BusTime** icon. Buses arrive in 10-minute intervals during normal service conditions.
3. The final destination for each bus is displayed in bright LED lights above the front windshield.
4. Have your payment ready when the bus approaches. See back panel for payment details.
5. Enjoy a comfortable ride. Notify the driver when your stop is approaching by pressing one of the stop buttons located throughout the bus.
